 - 4 Senior International Instructor – Mile2 Cyber Security (USA)
 - 5 Member of National Cyber Safety and Security Standards
-

PROFESSIONAL EXPERTISE

CONSULTING, TRAINING & LEGAL PROFICIENCY

AREAS OF PRACTICE

Specialized in Cyber Laws & Intellectual Property Rights (IPR) with an LLM (Master of Laws) degree. Combining deep technical knowledge with legal frameworks.

CONSULTING & AUDITING

Adv. Sanjeet specializes in Cyber Forensics cases, Compliance Audit, VAPT (Vulnerability Assessment and Penetration Testing). He works closely with financial institutions, private firms, and IT enterprises for high-level cybersecurity consulting, penetration testing, and ISO auditing.

PROFESSIONAL EXPERTISE

As a highly sought-after active speaker and Senior International Instructor, he has trained thousands of security professionals globally. His extensive contributions led to an exclusive invitation to work as the sole Senior International Instructor for Mile2 Cyber Security (USA) from India. He serves as a guest lecturer in over 50+ colleges across India and conducts widespread webinars to promote cybersecurity awareness among younger demographics.
